The Montana Tobacco Free School Excellence Initiative (MTFSEI) has been working since October of 2009 with many key stakeholders including the Montana School Boards Association (MTSBA) and the National School Boards Association (NSBA) to update various school policies regarding tobacco and nicotine use. The revised policies are listed on the next page (MTSBA *Policy Notes* – January 2010). Many Montana school districts have already been distinguished as a "**Montana Tobacco Free School District of Excellence**" by adopting Comprehensive Tobacco Free School Policies.
